MEMORANDUM FOR: Director of Central Intelligence

FROM : John F. Blake
Deputy Director for Administration

George:

STATINTL

1. We are giving [REDACTED] the Chairman of the Agency EEO Advisory Panel, a change of assignment and because of your meetings with him I felt you should be made aware of it.

2. Cal has been in the Office of Logistics for years and currently is assigned to their Planning Staff. On 14 September 1976, we are having him transferred to my immediate Staff in the Directorate where he will both carry on as Chairman of the EEO Advisory Panel, but will also become the EEO Officer for the Directorate of Administration. We have had these responsibilities within the Directorate rather fragmented and split among several individuals. By bringing Cal in here we can centralize them all in him and also, I believe, give him a better base from which to operate as Chairman of the EEO Advisory Panel. It is a progressive development for him and he is most pleased to go along with the idea.
